

FLOATING NOTES

We've written lots of melodies so far.

Let's write a **second part**!

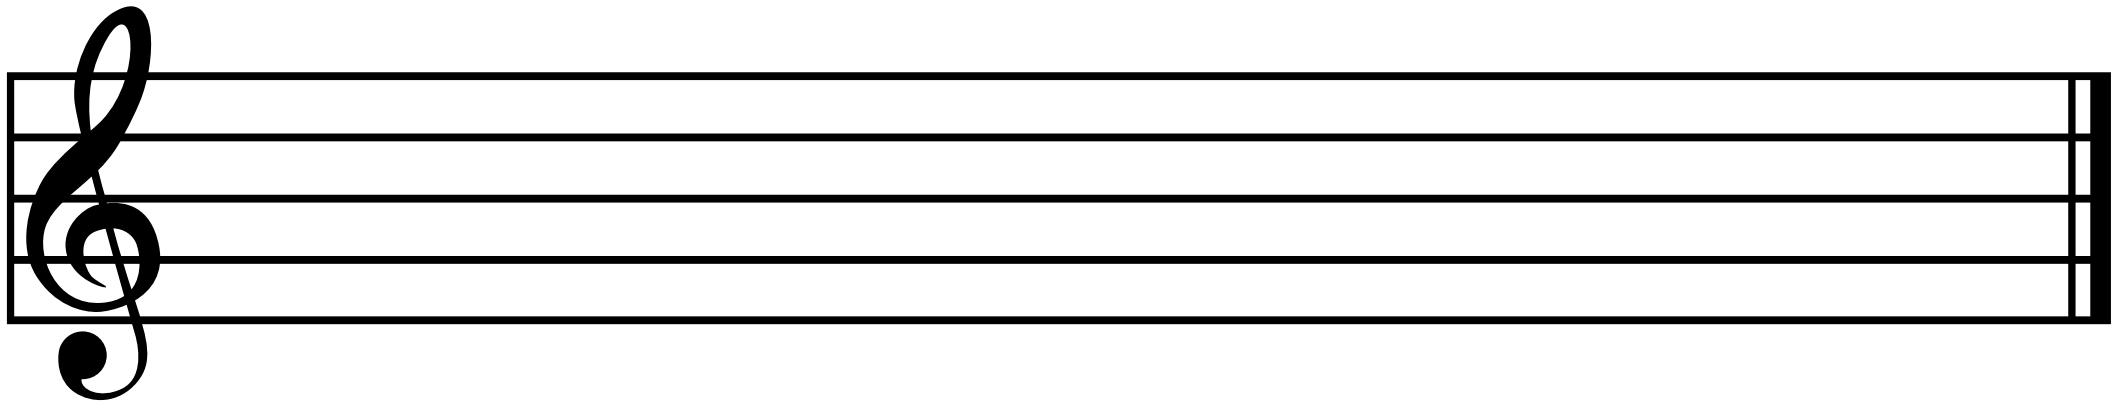

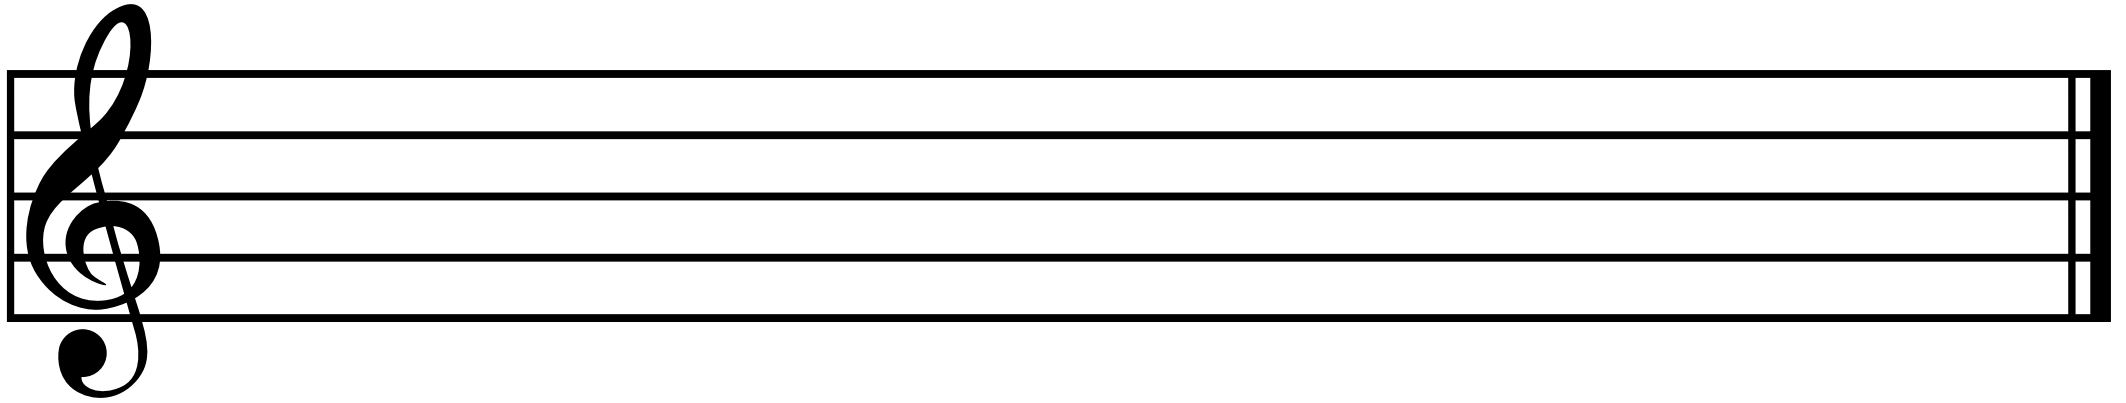

The second part will float **3** steps above the first part.

WRITE YOUR OWN!

DO ○ ○ ○ ○ ○ ○ ○

1. Write a melody first.
2. Then, write a second part, three steps above.

This time, try writing the second part **SIX** steps above instead of **THREE** steps.
